

Hello North Hampton families and friends,

I truly enjoyed the fabulous Choral concert last night. It was a great program and the students gave an amazing performance. What a joy!

Report cards for Term 1 will be open via the Web2School Parent Portal on Friday, 12/08 at Noon. A hard copy will also be sent home with your child that afternoon. Please take some time to discuss your child's progress as a learner and help him or her to strategize how to keep up the positive momentum. If you have any questions, please don't hesitate to reach out to your son or daughter's teacher.

Elementary parents- Unified Arts classes that only meet one time (1X) per week (Library and Technology), will not report a grade on the report card For Term 1. Since these classes only met 7, or even 6, times with the teacher during the Term, the teachers need to have more information and more time with their students before they can provide meaningful feedback about their progress and growth.
