North Hampton  
Public Library and  
Cultural Center

**Tim Choate**, master-gardener-in-training, will speak on rain barrels and  
dividing perennial plants.

## **Seed swap!**

Swap your saved seeds from your favorite flower and vegetable plants with  
others!

## **Socialize!**

Mingle with neighbors and others who enjoy gardening.  
We'll have snacks and refreshments (**veggie-based, of course!**)

## **Sign up!**

Join the club and sign up to help **plan and plant our two summer gardens**.  
There will a schedule of regular days that the club will meet weekly during  
the spring – to be announced.
