

The Internet Crimes Against Children Task Force
Presents
**SOCIAL MEDIA:
A Predators Playground**

PRESENTATION DESCRIPTION: Learn about the dangers that face teens every day. In doing so, we'll discuss how computers, cell phones, iPads, digital cameras, gaming systems, social networking applications, and internet blogs all play a role in placing students and families at risk. This 1.5 hour presentation is specifically geared towards parents, educators and community leaders who are looking to better understand the technology available to teens today and the way in which child predators use it to exploit them.

The New Hampshire Internet Crimes Against Children (NH ICAC) Task Force was established in 1998 and is responsible for investigating cases of child sexual exploitation involving the use of high technology throughout the state of New Hampshire. The NH ICAC Task Force allows law enforcement agencies to work together to acquire the technical skills, specialized equipment, and resources to effectively investigate and prosecute offenders.
