We will be hosting (free) "Pre-season Cheer Fun" get togethers for 5 alternating Wednesdays beginning May 2nd. This will be for both our returning squad members, and any new or curious kids, to do a little conditioning, team-building, games and fun...plus learn a cheer or two. We encourage you to bring a friend or two!

Actual season will begin with our summer practices mid-to-late July, with indoor stunting starting at WHS in September. Practices are scheduled on weekday evenings, depending on the age division the child is in, and games occur either on Sat or Sun throughout football season.

Games Only Squad \$75 - Game & Comp Divisions \$175

For questions, please email us at LittleWarriorCheer@yahoo.com

All children within the age limits are welcome. There are no try-outs, and no residency requirements. Bring birth certificate, and insurance info, for ease in paperwork. Not a school-sponsored event.
