

## Back to School Picnic

This annual community building event welcomes families back to school. It typically takes place the Thursday before school begins with a school open house prior to the picnic. The Picnic chairs are responsible for organizing the event & the volunteers, decorations, renting necessary picnic items such as, grills and purchasing items such as tablewear, arranging the “entertainment” (a bouncy house and dj) and soliciting a Picnic sponsor. The chairs oversee the event from set-up to clean-up, with a post event letter to the editor and thank you to the picnic sponsor.
