

2016/2017 SIP Goals

Curriculum/Instruction

In a manner that is consistent with the North Hampton School guiding statements, we will continue to refine our curriculum and assessment , while aligning with state approved standards in all content areas to include Common Core State Standards, Next Generation Science Standards, and NHDOE Grade Level Expectations.

Social/Emotional Learning

In a manner that is consistent with the North Hampton School guiding statements, we will continue creating a school environment that builds and fosters a sense of community for students and all stake holders while focusing on learning opportunities where students will continue to develop their social emotional skills.

Curriculum/Instruction - Menu of options for teams/individuals to focus on throughout the year
