# NHS PARENT SURVEY

# 2017 NHS PARENT SURVEY

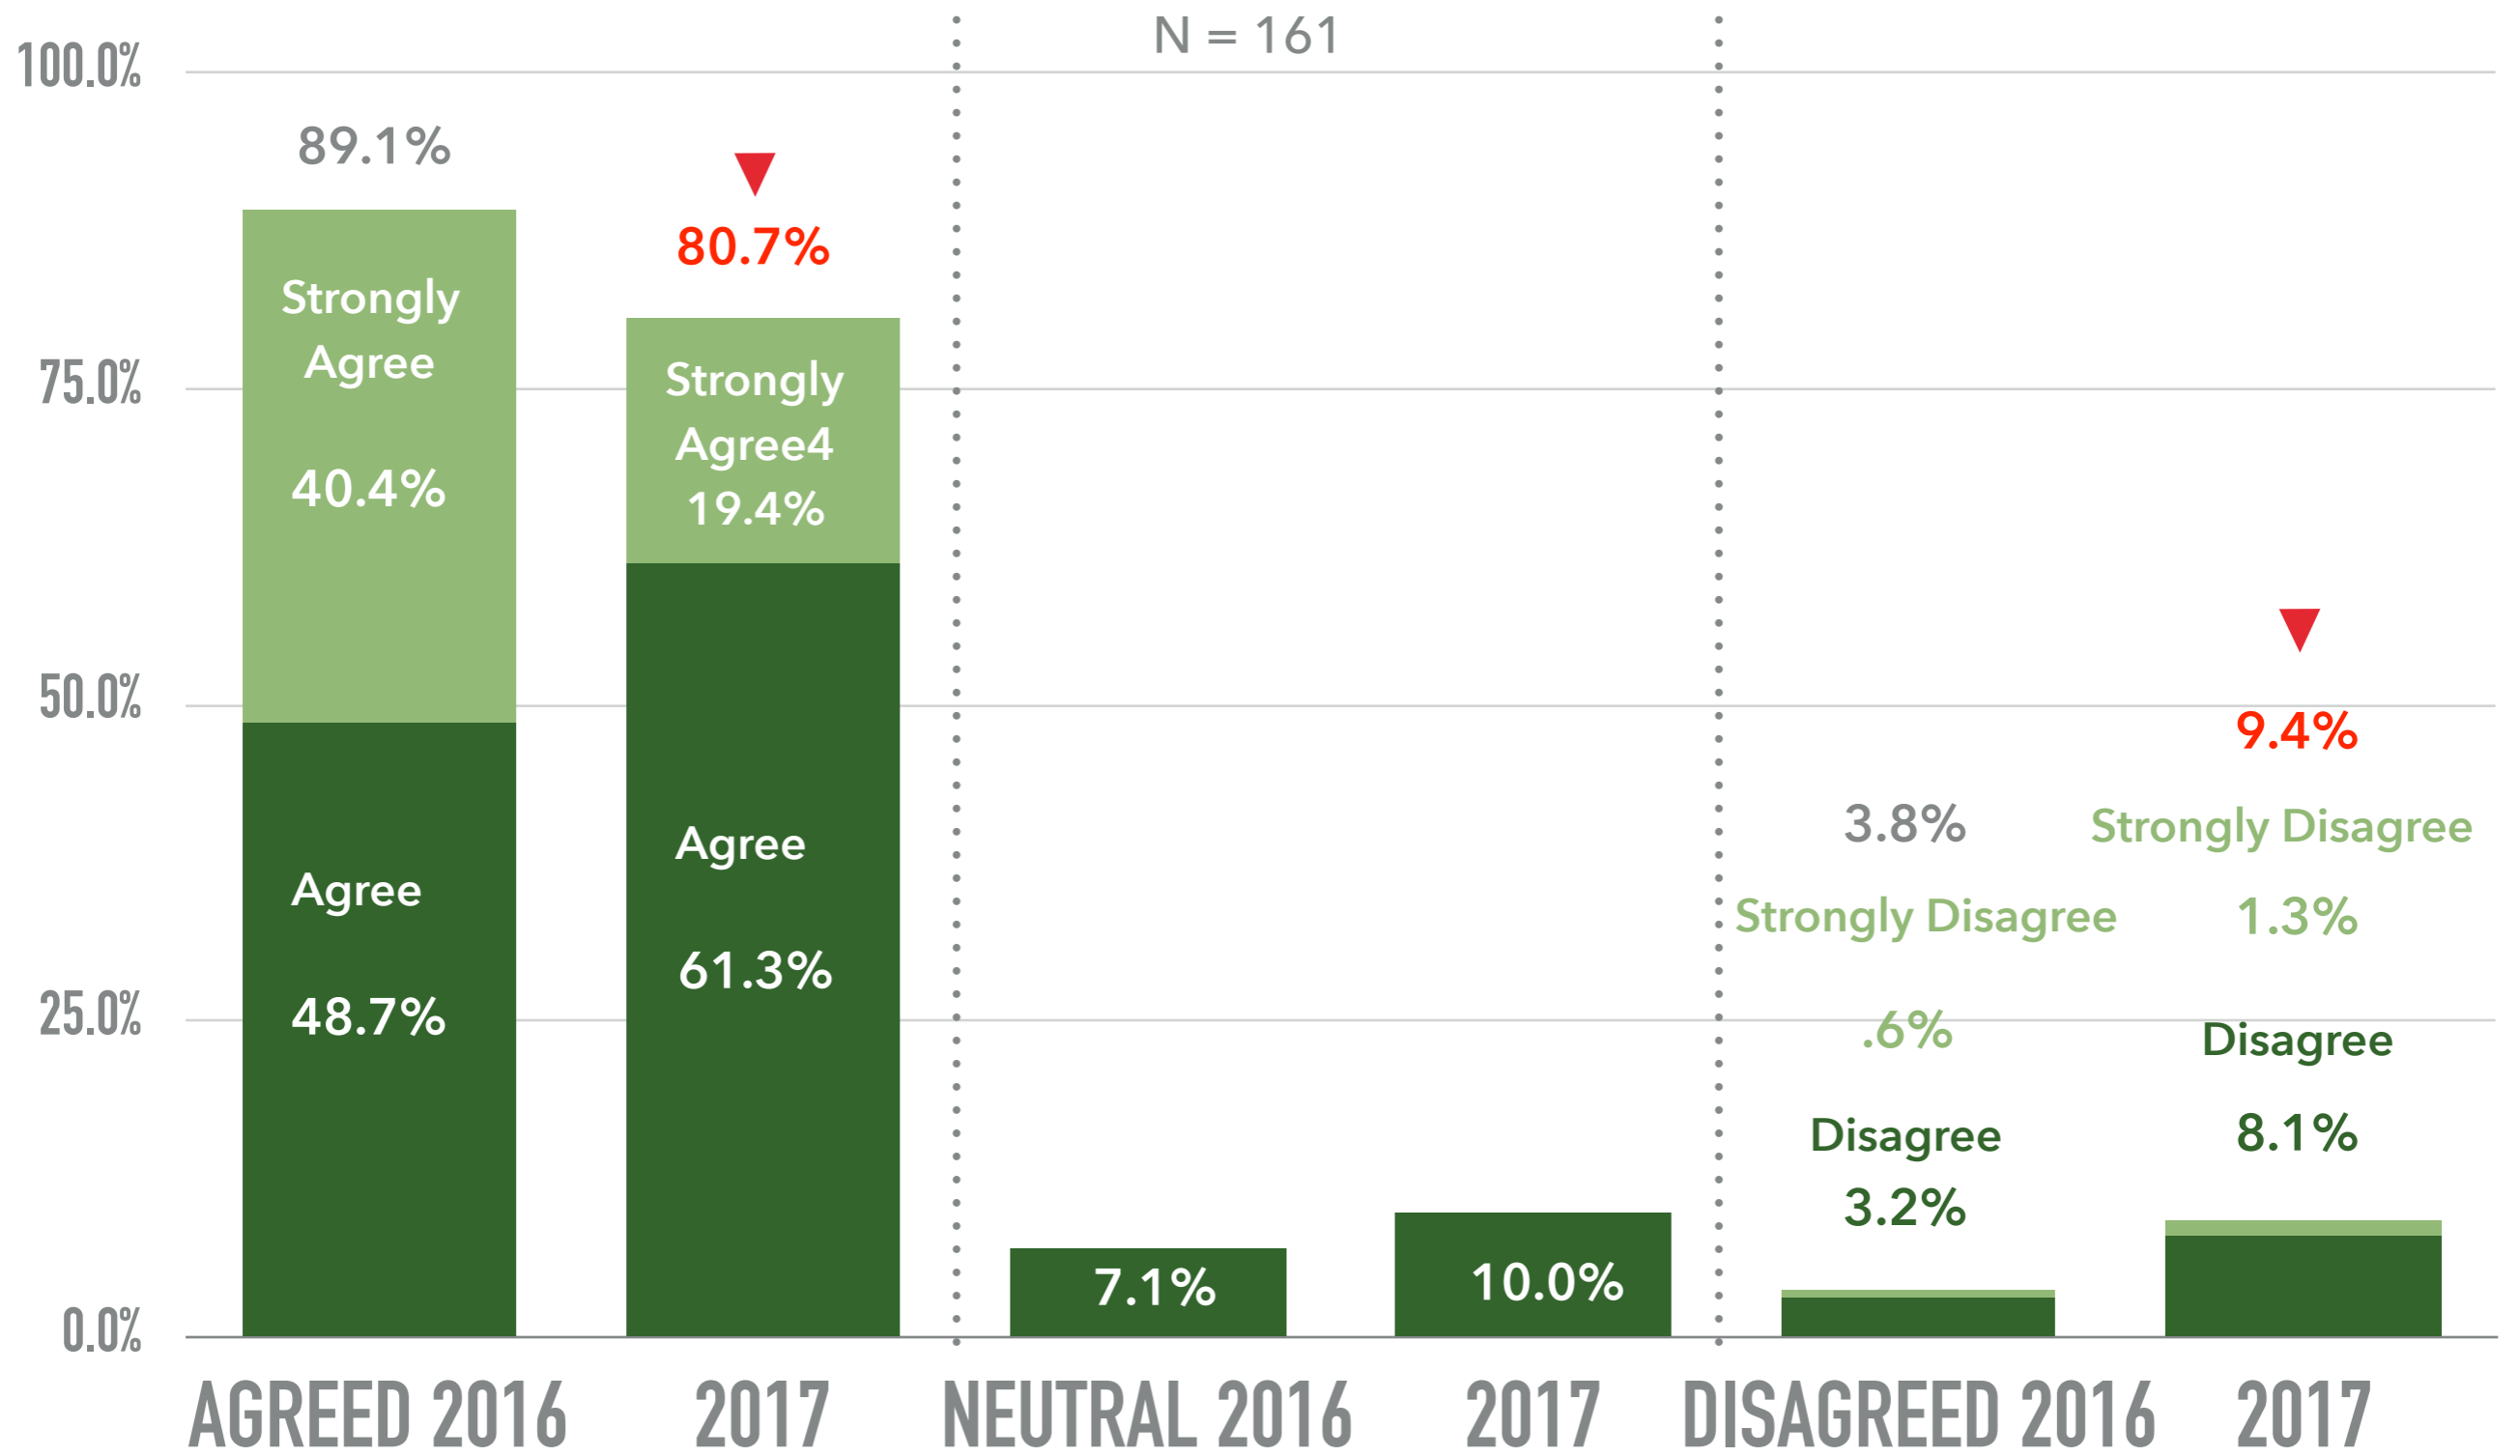

- ▶ For the second year, North Hampton School Board, School Administration and SAU conducted a survey to help identify North Hampton School's strengths as well as any opportunities to ensure continuous improvement in the quality of education for our students.
- ▶ The survey was revised to reflect staff and parent input.
  - ▶ Parents were able to provide separate satisfaction scores by student/grade.
  - ▶ Questions specific to the report card, special education and library were added.
- ▶ The survey was distributed to 440 parents via email on May 25 and repeated on June 23 and 28 to encourage participation.
- ▶ 161 parents responded.
- ▶ 237 students represented or 61% of the student population.
