

Every May all 5th graders and their parents will be receiving a letter informing them of the 6th grade immunization requirement. Every September ALL 6th graders who are 11 years old on or before Sept. 1st will be required to receive:

A booster dose of Tdap (tetanus,diphtheria and acellular pertussis) AND

One dose of meningococcal vaccine.

These immunizations **MUST** be completed by the first day of school. Failure to complete these requirements will result in **EXCLUSION** of the student. If the student does not turn 11 until after the first day of school, they will need to meet these requirements within 30 days from their 11th birthday.
