

Homework Clinic

*Alloway Township School
43 Cedar Street
Alloway, NJ 08001*

Dear Parents/Guardians:

Homework Clinic is offered as an intervention option for students in grades 3-8 who are identified by their teachers as needing extra support in this area. Students will be able to remain after school to facilitate homework completion under the supervision of one of our teachers. This is not an after school detention but another means to help all students experience success. Staff members will be available to answer questions and guide students as they complete their homework.

Homework Clinic students will be dismissed with the walkers and parent pick-ups. They will report to room 306 (Ms. Osborn) or 311 (Mr. Rounsaville) for Homework Clinic. Students will be dismissed at 3:30 p.m.

If your child will not be attending on the specified day(s), please notify the school. If a child does not attend, we will assume they have gone home. No follow-up phone call will be made to you to verify their attendance.

If you have any questions about this activity, please feel free to contact me.

Sincerely,

Barbra Ledyard
