Dear Parents/Guardians,

For the safety of your children and to assist the school staff with maintaining order after school, all students must follow the dismissal procedures as they are set forth on page five of the DDE Middle School Student Handbook.

All students are dismissed at 2:40pm. Students who remain in school to participate in after school activities will be dismissed at 3:40pm or 4:15pm.

Students who are dismissed from school as “walkers” must leave school property immediately upon dismissal and walk directly home. Students who are transported to and from school by a parent/family vehicle must be picked up from school at dismissal time (2:40pm, 3:40pm or 4:15pm). Students who are not picked up in a timely manner will be placed in the after school (CARE) program at the parent’s expense.

Students who walk to JFK Elementary to meet siblings will do so following the path between the rear exits of the two schools.

Students are not permitted to remain in school or on school property to attend an after school sporting event or any other event. If a student, with their parents’ or guardians’ permission, plans to attend an after school event as a spectator, that student must leave school premises and then return at the start of the event. Please note that students who attend an after school event must follow behavior and conduct expectations. Students, who do not follow the expectations for behavior and conduct, will be dismissed from the after school activity or event.

As a final reminder, unless we receive written communication from the student’s parent or guardian, students must follow their usual and routine dismissal procedures. For example, if a student regularly rides a bus home from school, we will only permit that student to walk home with written consent from their parent or guardian.

I appreciate your help with following these guidelines, as it will assist us in keeping all students safe. Thank you!

Sincerely,

Marilyn Cosme Bright,
Principal
