Give the gift of literacy to your child
and to our school community.

We invite you to join the
“Birthday Book Donation Club!”

Celebrate your child’s birthday with the gift of reading!
Donate a hardcover book in your child’s honor to the school library!

Simply send in the Birthday Book Donation Form along with $12.00 (cash or check) to your child’s teacher. During the next library class our school librarian, Ms. Clements, will help your child select a book they would like to donate. A bookplate with your child’s name and special occasion will be placed inside the book. The new book will be presented during library class time - and the birthday child gets to be the first one to check it out from the library!

It’s a thrill for your child and a generous gift to the school.

So, why not celebrate with the gift of reading??
GIVE A BOOK!!

Birthday Book Donation Form

Child’s Name________________________________________

Teacher___________________ Birth Month________________

Parent Name/Phone Number_______________________________________

_________________________________________________________________
