Dear Califon Parents and Community,

I am writing as a follow-up to my letter of May 1st regarding the upcoming Board meeting. The Board of Education met last night and received a great deal of productive feedback from parents and community members regarding the feasibility study and the issues of declining enrollment. As stated in my previous letter, the Board will be discussing the results of the feasibility study at a meeting on Thursday, May 10, 2018. The full, draft study has been posted on the home page of the district website. Additionally, we have posted the demographic study that was completed in 2015. Listed below is the schedule for the next two Board of Education meetings. We encourage all parents and community members to attend the meetings to hear about these important issues. Please feel free to contact me with any specific questions or concerns.

The draft feasibility study, demographic study and a copy of the May 1st letter can be found on our website at:

Sincerely,

Jason Kornegay
