

Kindergarten News

Reading Readiness

Students will review the letters **c,s,m,t,p,** and **a** and the sounds they make. We will also learn the letter **n**. We should be able to blend these letter sounds together to make words (sat, Pam, cap, tan). We will also be adding the red words **to, come, me** and **my** to our Word Wall. Please review the words on 'My Word Wall Folder' in the students folder every night.

By this point, students should...

- *recognize and write first and last name
- *count to 20 (saying teens correctly)
- *recognize colors words
- *arm tap the words we have learned
- *know introduced letters and the sounds they make
- *recognize rhyming words

Holidays

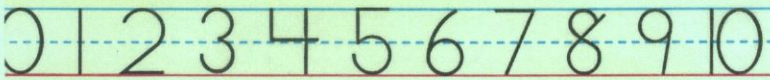

We will be discussing and learning about cultural diversity and the variety of holiday celebrations as they occur!

Reminders:

- *Spirit wear is available to purchase
- *Please join MMS Home and School Association....get involved!

Math

We will finish our Topic on **counting and writing numbers 0-20**. We will begin and finish Topic 6 **numbers to 100**.

Students will be learning to fill in the blank numbers on a hundreds chart and count by 10's to 100. Please continue to review number recognition and formation.
