## Reading

February is a very exciting month! As we start this month, we are beginning a new marking period. We will focus on the letters **Ii, Gg, Rr, and Dd**. Please practice blending the letter sounds that we have learned to make words (ex- bit, pin, map, fat, tan, cab, sip, in, if...) We will also be learning the new red words **is, how, go, find, this, for, will** and **be**. Please review all words that come home and continue to practice arm tapping! Also, practice sounding out words on you own. Try using words in a sentence!

**\*\*Practice handwriting and letter formation\*\***

## Math

The next few topics in Math continue to work on addition and subtraction. Topic 9 will cover key concepts such as writing number sentences for numbers up to 10. Continue to practice number writing and recognition!

## Social Studies

**Report Cards** will be sent home on Feb 2nd. Please review the report card, sign the envelope and return the envelope to school. If there are any questions or concerns, please feel free to call or send in a note.

## Dates to Remember

- 2/14** 100th day of school!
- 2/15** Field trip to PAC center AND Spirit Day\*\*\*\*\*
- 2/16** Professional Day (no school)
- 2/19** President's Day (no school)

This month we will learn about many important dates~ Groundhog Day, Chinese New Year, Presidents' Day, and Valentine's Day! February is also Dental Health Month and Black History Month!

Remember to:

~ practice good hygiene habits ~ send in a note for all absences~ smile~
