★ Reading

This month we will master the letters **U, W, and L**. Using flashcards to practice our words is a great idea so that the words are not memorized, they have to be sounded out! Students should be able to sound out almost all cvc words (consonant/vowel/consonant). We will be adding the red words do, down, have, and help to our Word Wall Folder. Please continue arm-tapping our red words listed in our Word Wall Folder every night! We are beginning to focus more on writing skills (journal writing, sounding out words on our own, using action words, making sure our picture matches our words...) We will also be emphasizing *story comprehension, remembering important details, and drawing conclusions* in the stories that we will be reading.

★ Math

We will be finishing Topic 12- Measurement. We will begin Topic 13- Sorting, Classifying, Counting, and Categorizing Data.
