

Kindergarten News

We hope that January brings everyone back from a safe and happy winter break. The coming months will be packed with new learning adventures. You may notice some remarkable changes in your child...they should be making the change from beginner to experienced Kindergarten students!

Please continue to practice healthy habits during cold & flu season~ and please send in a note for all absences.

Math

We are starting Topic 7 in Math.

This Topic is

Understanding Addition.

We will also begin Topic 8

Understanding Subtraction.

We are still working on all previously taught skills, especially identifying numbers to 100.

Reading

We will be focusing on the letters **N**, **F**, and **B**. Our goal is to recognize these letters and the sounds they represent. Please practice blending the letter sounds together with the /a/ sound. (sat, bat, tap, nap, fan, can, Pam, etc...)

****Flashcards are a great way to practice these words****

We will be adding the red words **you**, **what**, **are**, and **now** to our Word Wall.

Practice arm-tapping!!!!

Dates to Remember

1/3 Welcome Back!!!

1/13 School Closed
Professional Day

1/16 School Closed
Martin Luther King Day

1/19 Field trip to the ACME

1/27 Kindergarten Spirit Day
