

 Mrs. Clarke and Mrs. Golden's   March 2015 

# Kindergarten News

**Reading**  Kindergarten is flying into March! We are all becoming alphabet experts and continuing to build our beginning reading and writing skills. Our new sounds for the month will be the short vowel sounds **O** and **E** along with the letters **X** and **J**. Please continue to practice blending all of the letter sounds that we have learned. We will also be leaning the words *make, play, said, good, she, all, he* and *no*.

Keep practicing arm-tapping to spell the red words that we have learned!

Flashcards and the little books that are sent home each week are great ways to practice blending and reading red words.

We will be continuing to develop our writing skills by putting our ideas onto paper responses through drawings and writing words.

## Save the Date!

Our annual Kindergarten Play is scheduled for Tuesday April 21st at 1:30. More information will follow

## Dates to Remember

**3/2** Read Across America

**3/11** Field Trip to the Post Office
