March 16, 2020

Dear Families:

In an abundance of caution and until such a time as we can reasonably deem the current health situation manageable, Margaret Mace School will be closed from March 17, 2020, until further notice.

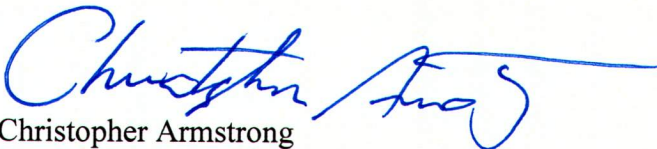

In anticipation, the District has created and submitted an official Extended School Closure Plan that will allow home-instruction to continue during the break. Such days will count towards the 180-school day requirement outlined in the NJ Statute.

During the extended closure, the following protocols have been enacted, and all necessary materials will continue to be posted on the District webpage (www.mmace.com):

1. Students have the required resources to complete academic activities and projects. Related handouts will go home on Monday, March 16, 2020, with students, and all other assignments will be shared electronically.
2. Teachers will be in electronic communication with students throughout the break to provide additional support and monitor student progress.
3. For some activities (physical education, speech, OT/PT services, etc.), documentation of active participation may be required. To meet this expectation, students or parents will be asked to log this information.
4. Breakfast and Lunch will be distributed each day during the closure. Meals will be distributed in a grab-and-go method from 9:00 a.m. – 10:30 a.m. These meals can be picked up in the front lobby.

Please keep in mind that the health, safety, and well being of our staff and students remain our top priority. Thank you in advance for your continued understanding and support.

Sincerely,

Christopher Armstrong
Superintendent
North Wildwood School District
