April 4, 2020

Dear Families:

First, let me say thank you to families, students and staff members; everyone continues to do a great job. As I have said before, when this pandemic is over, we will emerge stronger.

The fourth marking period will begin on Monday, April 6. Report cards for students in grades three through eight will be posted on our RealTime system. Parents can access the grades using the parent portal. Directions for using the parent portal are on our website. Assessments for students in pre-K through two will be mailed to parents in the future. We will implement a schedule for students in grades six through eight beginning on Monday, April 6. The schedule is below. Parents please wake your children and have them participate during the assigned times.

Schedule for Grades 6-8 beginning on April 6, 2020

Friday will be for conferencing with students and online small group meetings

As we improve our social distancing, we are reducing our days for meal distribution and student work drop off and pick up beginning on April 6. We will be distributing meals and allowing work exchange on Mondays and Thursdays only, in the front lobby from 9:00-10:30.

Spring break will begin on Friday, April 10, and continue until Sunday, April 19, as originally scheduled. The only assignment for students is to stay safe and healthy. We will continue meal distribution on Mondays and Thursdays during spring break.

Sincerely,
Christopher Armstrong
