

CITY OF OCEAN CITY

AMERICA'S GREATEST FAMILY RESORT

POLICE DEPARTMENT

Dear Intermediate School Parent/Guardian,

I am writing this letter due to some recent ongoing concerns being conveyed to school officials and the Ocean City Police Department. Numerous complaints of parents/guardians double parking in both lanes of travel during arrival and dismissal times have been expressed.

As a courtesy, the Ocean City Police Department would like to inform you that officers will be proactively enforcing these unsafe violations and are asking for your cooperation in keeping our children safe.

Our Department will be taking the following actions;

- **Continuing to have a presence during arrival and dismissal times.**
- **Actively enforcing all motor vehicle violations that create an unsafe condition.**
- **Deterring the unlawful action of double parking during these times.**

The Ocean City Police Department is asking for your assistance with these issues. The overall safety of the students, parents and school community is the motivating factor for the creation of this letter.

Thank you for your anticipated cooperation.
