2. What should I expect on the first day of school?
 - Walking Students: All walking student and parent drop offs will meet the Kindergarten teachers out front of the school on the 6th street side of the building. It will help if they students know their teachers name. The Kindergarten teachers along with the Principal and other staff will be there to assist. Students will get to say goodbye to their parents and get in line with their teacher. Once all the students are present the classes will all walk into the school and start the school day.
