

Halloween by Morgan

Halloween is a fun holiday to celebrate. You dress up and go door to door to get candy. I think it is fun. When you celebrate Halloween you will be very happy. I know it. Some people do trick or treat for Unicef. Trick or Treat for Unicef began in 1950. It is a way for kids to help kids around the world with many things like food and water. Our school has been participating in Unicef Trick or Treat for many years. I think Halloween is a good time to meet people in your neighborhood. On Halloween we wear our costumes at

school and have a big parade down the hall and then outside along West Avenue between 5th and 6th Street. If you do not know where to find your costume, then make it. That is what I did. Your costume does not need to be big it can be small. Halloween is fun.

Unicef's Website says...

- \$5 will provide a malnourished child food.
 - \$15 will provide a year's worth of safe water for a child.
 - \$30 provides measles protection for 100 kids.
 - \$100 provides Malaria protection for 100 kids
 - \$400 provides a pump to give an entire village clean water.

Hanukkah By Abby

Hanukkah is a fun filled holiday for 8 days and nights. It is also known as the "Festival of Lights" and "Feast of Dedication". There are Dreidels, Menorahs, and much more. The menorah is my favorite part. The menorah is a nine-branched candelabra

that is used on the Jewish holiday of Hanukkah. A prayer is said when you light the candles. You get 1 or 2 presents per night. Some of the foods you might eat are: Latkes, applesauce, Matzah Balls, and Jello with fruit.

Some other Jewish holidays that Jewish people celebrate besides Hanu-

kah are: Rosh Hashanah, Yom Kippur, which is known as the "Day of Atonement" and Passover.

Halloween in OC by Daphne

Fall is upon us. During this time of year the temperatures start to drop, the leaves start falling and we start putting up our Fall decorations. The first holiday of the Fall season is Halloween and that means Trick or Treat time.

Several local businesses participate in all this spooky fun of Trick or Treat and handing out candy. I went around and interviewed the workers to see if their stores have enough Halloween spirit to make it through the holiday!

I first decided to visit Glazed Over. They are located at 704 Asbury Avenue in Ocean City. I talked to a kind lady named Lucy. She said that their hours are 11:00am-5:00pm. They will be handing out candy for Halloween. Lucy said that they have lots of special pottery and mosaics. They have many fun activities. They are going to have a dream catcher workshop and whenever you feel like there is nothing to do go to glazed over because they are open all year.

Next, I decided to visit a place called Cousins. I could not ask them most of my questions because they are closing for the winter. They wanted to tell you that they recommend you try their delicious gluten free menu and they will see you next spring!

Then I visited a place called Vittorio and a cool thing is the owner's name is Vittorio too! He is very kind and has a beautiful Italian accent. (Cont. on p.3) He has a great lobster ravioli and lots of specials.

Kessel's Korner by Madelyn

Have you ever been to the most wonderful restaurant on Earth? I know I sure have! Two words Kessel's Korner! This amazing restaurant is the most amazing place to dine and eat ice cream, and work your appetite! If you're looking for some good service, Kessel's is the place to go. Their staff is super friendly. If you spill something, they'll clean it up with no hesitation! Now, the food. They have this burger

called a Kessel Special. It's the best burger you will have in your entire lifetime! Also, for kids, order the chicken cheese steak. It's very tasty. There are wraps, burgers, a humongous kid menu, fountain and bottled drinks, salads, steaks, soup, fries, and... wait for it... ICE CREAM!!!! Their ice-cream is soooooo good. They have a lot of different flavors. The ice cream brand is Bryers. They have classic chocolate, french

vanilla, cotton candy, moosetracks, rocky road, chocolate cookie dough, and sooooo much more!! The wide variety of sundaes and milkshakes tie into the coolest ice cream menu. The manager is super funny and is very helpful. So, if you're looking for a place to go and have a great meal, go to Kessel's Korner!!!

Kingdom Hearts by Dylan

Kingdom hearts is a video game where you are a person named Sora. Sora travels to different Disney worlds. here are monsters in the different worlds and they are called Heartless. The monsters (Heartless) are destroying the worlds. Donald and Goofy are helping you find King Mickey who went on an adventure to defeat Heartless and help the other worlds with his keyblade. A keyblade is a giant key sword that can help the other worlds. Recently on

my file I got a keyblade called Three Wishes. You get Three Wishes in Agrabah which is the city in the movie Aladdin. I beat that world and now I'm in Monstro. Monstro is the whale in Pinocchio. What happens is the whale Monstro gulps down your Gummi Ship. The Gummi Ship is like a spaceship but it travels through worlds instead of space. Sora's friends are Riku and Kiri. Sora is on a journey to find them. Donald and Goofy said to Sora

that they would find Sora's friends. Donald and Goofy think the key blade is the key. My favorite world that you go to is Halloween Town which is from the movie Nightmare Before Christmas. In Halloween, Sora, Donald, and Goofy are looking different. (I just got to Halloween Town). Jack the skeleton wants to put a heart in the Heartless so they can dance with him for this year's Halloween. They got the (see Kingdom Hearts on p. 3) heart, but the experiment

Ocean City by Chloe

In Ocean City there is a lot to do like go to the rides, go to the park, get ice cream, and go downtown where there is a whole lot of stores and other stuff like that. Here are some of the cool things I like about Ocean City ... First I love to go and get.... ICE CREAM!!!! Sorry, I love ice cream, it is so tasty and yummy, sweet, and cold. I love to eat ice cream on the beach in the summer and cool down. In the summertime it gets pretty hot so I like to go to

the beach and go in the ocean to play. Here are some things you can do at the beach. You can boogie board, dig in the sand, roll in the sand, and if you want you can stick your face in the sand! Don't get sand in your eyes or in your nose!! (well I put my face in the sand but that doesn't mean you have to, but I think it is fun!) There is a really big boardwalk which has a WATER PARK!!! That is one of my favorite places to go on the boardwalk. At the waterpark

there are tons of fun slides to go on and I love to go on the body slide. There is another slide that has a 10 foot drop slide and that is also one of my favorite slides! There is also a snack bar and also there is also a place called Lil' Bucs Bay inside of the water park. That area is a spot for the babies and all the babies love it! There is now a skate park right across from our school and that sure looks like a lot of fun I just have-

n't been there yet!

Halloween in OC (continued from p. 2)

After that we hopped over to the next store to the bike shop and met a guy named Mark Annareli. He said his hours on Monday-Friday are 9:00-5:30 then on Saturday it's 9:00-5:00 and on Sunday they are closed. They will be handing candy out . They sell very beautiful bikes, You know Mrs. Annareli that works at our front desk? The Mark that I met at the bike shop is her husband! She works at the bike shop when she's not working real hard at our

school.

I hope you a had wonderful season thinking about the scary Halloween decorations and about where to visit first.

Happy Halloween! BOO!

failed. Now, I have to find the Mayor of Halloween Town (the guy with two faces). So that's how far I have gotten in **Kingdom Hearts**. It is a really cool game. You should try it!

OC's Adventure Island water park is awesome! You can have birthday parties there. They have really awesome slides! They have a lazy river. You can just hang out in the tube! You can get a wrist band to stay there for the whole day! Or you can just get a wrist band for four hours. There is also rock climbing and bungee jumping! If you get hungry you can also get

ice cream. They also have a Jr life guard camp that is fun too. My favorite thing to do there is hang out with my friends and go on the

slides. We'll go on all the slides! It's really fun. So if you have never been there just look up: www.ocnjAdventureIslandwaterpark.com

If you go there in the summer have fun and stay cool!

Yummy ingredients from Yoasis!

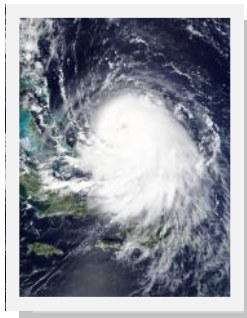

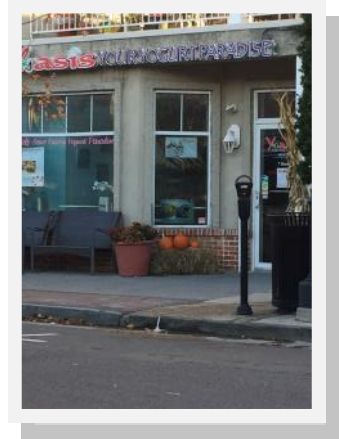

Yoasis by Sienna

Have you ever had frozen yogurt... Your answer is probably, "Yes!" But have you ever been to a Yoasis is the real question? Yoasis has the best frozen yogurt ever! It has a bunch of flavors with a million toppings. If you live in Ocean City you probably have at least heard of Yoasis. There is one on the boardwalk and one on Asbury Avenue. If you have not been, I recommend triple chocolate and party cake! With PARTY CAKE, I recommend Gummy Worms, Gummy Bears, Cherries and

Oreo Crumbs. With the triple chocolate, I recommend the gummy worms, and well kind of everything (except pineapple!) I hope you try it or go again.

Yoasis Frozen Yogurt is located in two convenient location in Ocean City, NJ.

Hurricane Joaquin was a category 4 storm that threatened our community, but stayed well away from us.

Hurricane Joaquin In Southern New Jersey by Alec

There was a hurricane that threatened to hit the east coast between Florida-Philadelphia. When Hurricane Joaquin formed on September 27 it intensified into a category 4 hurricane. Many shore locals were affected by lots of floods and lots of rain. One house in Wildwood floated away into the bay and got destroyed because of the floodwaters. Thankfully, people were not injured in this hurri-

cane in Ocean City. The Atlantic coast had no evacuations called from Cape May- Atlantic City. People went onto the flooded streets with surf boards and big boats! My Friends house was damaged, I feel sad for them. The governor of NJ visited Sea Isle and talked about the storm preparation on October 2 at 11:00 AM. People had to be prepared and with community service everything was ok.

Halloween by Clifford

Halloween is a holiday for dressing up in silly costumes and to have fun. You can run around town and go trick or treating to get candy! Some people decorate their houses with very spooky decorations and play Halloween music.

I go with my friend every year on Halloween. We go in our neigh-

borhood which is close to the Acme. People are very friendly and like seeing our costumes. When we go to another house, they let us go to the backyard where they have a big train set to see. It's great! After trick or treating, I get together with a lot of friends and we put together a haunted house in one of their backyards. It doesn't

take long to do. The fun part is when we hide and jump out to try to scare one another. I am really looking forward to Halloween Night this year! Boo!

The Ocean City boardwalk has lots of fun things to do!

You can go to really good restaurants such as Tony P's, Primo's, Curly Fries, 3 Brother's and lots more. They also have the rides at Wonderland Pier and Playland! They have

really cool rides, such as bumper cars, double shot, ferris wheel, roller coasters, and more! Or you could just bike, walk, skate board, and jog on the boards. You can see entertainment too! You just buy tickets for something at the Music Pier. Like pageants, plays, concerts, contests and so much more. If you are hot you can get a nice sweet creamy treat! You can get it at Kohr Brothers, Yoasis, the Yogo

Factory, Polish and a lot more! The boards have a really fun water park too! They have a pool, tube slides, body slides, and play area for little kids and the best of all the 10 foot drop. Advice From Sarah

My advice for today is do not cry in the car you will get very car sick. Always bring extra clothing for a long ride, if it is short there is no need.

More Advice From Sarah

Use the Buddy Bench if you need a friend at recess. You can sit on the Buddy Bench and other kids will ask you to play with them so that is my advice.

Dogs Then and Now by Ella

Dogs are great pets, however, back before dogs became domesticated, people used to bring wolves into their homes to help them with different things and to hunt. There are many different breeds of dogs, including Chihuahuas, Labs, Pointers, and Golden Retrievers, just to name a few.

Now dogs are used for many different things including to hunt. There are many different things dogs can do depending on their breed. Poodles are more on the calm, no running, side which is good for some. Therefore working dogs, police dogs, mountain rescue dogs, guide dogs, and therapy dogs, have a variety of personalities. Some dogs are good with children and some are not.

Caring for dogs isn't that simple. Dogs need food, water, grooming, walks, and a bed or crate. When you get the hang of caring for your dog, it gets easier. Dogs make great companions and are a great addition to a family. If you are thinking of getting a dog, it is important to do research and make sure your family is ready for a big commitment.

Closed Pool by Rachel

I am on a swim Team . The team is called the Ocean City C-Cerpants, also known as OCCC. I normally swim in the pool in Ocean City. One day, a few big pipes broke and we could not swim in that pool for a week. Everybody who likes to swim at the pool could not swim. It was a good thing

when our head coach found another pool in Mays Landing. I went to practice that week on Monday. Practice was from 4:00 to 5:00. Then another team practiced. After that the older kids on my team practiced. I like regular practice better because the Ocean City pool feels like

my home. On Saturday morning my mom got a text saying the pool would be open on Saturday the 10th at 12:00 pm. I was so happy. Now we can have a regular practice.
