Dear Parents:

Welcome to Appleby and Schoenly Elementary Schools. The administration and staff are looking forward to a rewarding and successful school year with your children.

We are committed to providing the best education possible for our students, one which will encourage them to continue learning throughout their lives. We will strive to help them develop their individual talents in every way possible. Because we believe the foundation for success is established in the elementary grades, we encourage you to take an active role in your child's elementary program.

It is important that a good relationship is established between school and home. It is imperative that we work together throughout the year to address your child's needs. We encourage you to participate in the many activities and programs we offer and to call us if you have any specific questions or concerns.

ARRIVAL TIME

Children may enter the building at 8:05 a.m. in Schoenly and at 8:00 a.m. in Appleby. The building will not be open before these times, therefore the proper supervision of your children will be unavailable. Children arriving after 8:05 at Appleby or 8:20 at Schoenly will be considered **late**. "Students who arrive late must be accompanied by a parent/guardian" and signed in at the main office.

DISMISSAL

Children who are not involved in extra curricular activities must leave the building at dismissal. Remaining in and around the school building after dismissal without permission is not allowed. Students who are walkers may not, under any circumstances, ride the school bus.

SCHOOL CLOSINGS: INCLEMENT WEATHER OR EMERGENCY CONDITIONS

In the event it is necessary to close school due to inclement weather or emergency conditions, parents may obtain information from the following sources:

WCTC 1450 AM
WMGQ 98.3 FM
NJ 101.5 FM
NEWS 12 NJ

OR

www.wmgqfm.com
www.wctcam.com
www.spotswood.k12.nj.us
TV Channel 3

Parents are encouraged to sign up for Honeywell Instant Alerts. Please do not call the school!

Early Dismissal: If it becomes necessary to dismiss school early, we will provide for your children's safety. In September, parents will be asked to complete a form indicating plans they have made for care of their children in the event of an early dismissal. Announcements of early dismissals are also made on all of the above services.

ATTENDANCE

The Board of Education requires that pupils enrolled in this school district must be in attendance for **164** or more days in order to be considered to have successfully completed the instructional program requirements of the grade. There are only three legal reasons for absence, all of which are subject to limitations.

- 1. Sickness or physical incapacity of the child;**
- 2. Death in the family;**
- 3. Religious observance.**

Parents must notify the school nurse/main office of any absence by 9:00 a.m. on the day of the absence. ***At Appleby, please call 732-723-2214 to report absences. At Schoenly, please call 732-723-2224.*** Reasons for extended absences should be discussed with the principal. Please notify the school office ahead of time. Any student who has **excessive absence** from school, and for whom no home instruction has been approved, shall be considered for **RETENTION** upon the recommendation of the principal and/or the Intervention and Referral Service (I&RS) Team.

Students must be in attendance for four hours under New Jersey Department of Education regulations in order to be marked "present" in the attendance register. If a student is not present that day, he or she is not eligible to participate in after-school activities. In cases where the event is scheduled on a weekend, student attendance on the preceding school day is mandatory in order for the student to participate. ***When a student is sent home with fever, vomiting, diarrhea or other symptoms related to a possible contagious condition, that student cannot participate in after school activities, and under the direction of the school nurse may not be eligible to return to school for 24 hours after being symptom free see page 13 letter G. for details.***

ABSENCE AND TARDINESS

All children must be in their classrooms by 8:05 a.m. in Appleby and by 8:20 a.m. at Schoenly. A child who comes later is tardy and should have a note explaining the reason for being late, and/or will need to sign their child into school. **When a child returns from an absence, a note should be sent to the classroom teacher explaining the reason for the absence.** The parent will be contacted in cases of excessive absence or tardiness and, if necessary, referred to the Attendance Officer for appropriate action. Excessive tardiness will adversely affect eligibility for perfect attendance award. Attending school on a consistent basis is an extremely important part of a child's academic and social development. Every second counts when establishing the foundation of education in the potential early elementary years. When your child is absent or late his/her academic and social developments are interrupted leading to educational or emotional inconsistencies that can sometimes be very hard to remediate. Please support our efforts in providing the best educational experience possible for your child by establishing good habits for attending school and arriving on time.

DETENTION

Sometimes it is necessary to detain students after school for makeup work, extra help, extra curricular activities, or for disciplinary reasons. If this should occur, school personnel will notify parents 24 hours in advance. If prior commitments do not permit the child to remain after school on any given day, the **parent must personally inform the school.** If a postponement is necessary, the child must remain after school the following day.

NOTES TO LEAVE SCHOOL GROUNDS

1. If it is necessary to take your child out of school before the regular dismissal, only parents or an adult with positive identification and written or prior authorization from the parent may sign him/her out at the school office. If you know in advance, please send a note stating the reason to the teacher one day prior. The same procedure will be followed for children who become ill and need to go home. A child who is permitted to leave before dismissal will not be allowed to walk home alone. **We encourage parents to regularly update the emergency cards to include the names of all adults with permission to pick up children from school.**

2. Parental sign-out of children is necessary for students to leave the grounds for lunch. If a child does not go home for lunch, he/she will be expected to either bring his/her lunch from home or purchase his/her lunch at school.

CHANGE OF ROUTINE

If you change the normal routine for your child, please make sure he/she knows what to do and where to go and that the school has a note indicating exactly who is to pick up the child. Of course, the school will cooperate fully in cases of emergency and deliver messages to your child.

VOLUNTEERS

Parents and guardians who volunteer in the schools must be approved by the Board of Education. Parents and guardians may complete the volunteer form and return it to school. Not all parents interested in volunteering will be selected; volunteering is on an as needed basis and may be subject to a lottery.

VISITORS TO THE BUILDING

ALL VISITORS TO THE BUILDING MUST REPORT TO THE MAIN OFFICE FIRST AND BE PREPARED TO SHOW IDENTIFICATION. THIS POLICY MUST BE FOLLOWED WHEN YOU ARE DELIVERING FORGOTTEN LUNCHES, LUNCH MONEY, HOMEWORK, ETC. THERE ARE SEVERAL TIMES WHEN THE SCHOOL IS OPEN TO THE PUBLIC FOR SPECIAL ACTIVITIES. IT IS NOT NECESSARY TO REPORT TO THE OFFICE AT THESE TIMES. Examples: Back-to-School and Parent Teacher Conferences.

LUNCH PROGRAM

All students will have a 45 minute lunch period, which will consist of lunch and recess.

School lunches are available to all students in grades Pre-K - 5th. The district also participates in the free and reduced price lunch program for families who qualify. Applications for free and reduced price lunches are distributed to all students. This year, Schoenly will participate in a breakfast program; details to follow.

WHAT IS AVAILABLE:

Children in grades Pre- K - 2nd may purchase snack milk.

Children in grades Pre- K - 5th may purchase lunch including milk, milk alone, or snacks (only at Appleby).

LUNCH PRICES THIS YEAR ARE:

Milk	.65
Lunch	\$2.55

Make sure your children have their lunch and milk money and that care is taken to avoid losing it. In case of lost lunch money, a charge slip can be obtained with payment due the following day. Students may also pay in advance for the week or month. Checks may be made out to Spotswood Board of Education.

LUNCHROOM RULES

Good manners are expected of everyone. We feel that a child is given every chance to conduct him/herself in an orderly manner in the lunchroom. If a child repeatedly fails to do so, his/her playground or other privileges will be suspended for a reasonable period of time. **A parent will be notified if his/her child is being disruptive.**

GUM/CANDY/SNACKS

Children are not permitted to chew gum during the school day. Students should be discouraged from bringing gum to school. We will appreciate your cooperation. Students in Grades Pre-K - 2nd may bring a daily snack of nutritional value; candy should be limited.

ARTICLES PROHIBITED IN SCHOOL

Any item that may be hazardous to the welfare of the student(s) should not be brought to school. Such items will be confiscated. Parents are requested to help children understand the necessity for such action. Cell phones and other electronic devices must be turned off and kept in a backpack or locker during the school day. The school assumes **NO RESPONSIBILITY** for loss or damage to these items. Any violation will be referred to administration for possible disciplinary action.

PERSONAL PROPERTY

The school is not responsible for personal property which is lost, stolen or damaged. Please do not send articles with your child which have special monetary or sentimental value unless previous permission has been granted by school personnel. Children should not carry extra money unless it has been requested for a specific purpose. Money should never be kept in desks or lockers. ***Parents should label their child's belongings and clothing. Money sent to school should be placed in an envelope with the student's name on it, the amount, and the purpose.***

DRESS AND APPEARANCE

Children should dress appropriately for the activities of the day and the season. Because we believe that young people should have opportunities to move about in fresh air, children will be allowed to play outside during recess on most days when it is not raining or snowing. Please be sure they are appropriately equipped. ***Open shoes, flip-flops and "heelys" are not allowed because they constitute a safety hazard. Hats are not to be worn indoors. Hats, coats, gloves/mittens and scarves should be considered during winter months.***

Student attitudes and performance are affected by personal appearance. Since education is a serious matter, every effort should be made to emphasize cleanliness, proper grooming and neat attire. Children need guidance and direction in these three areas. Just ask the question, "Is the child's appearance suitable for school today?" If the answer is no, the parent will be contacted.

STUDENT INSURANCE

The Board of Education provides parents with information concerning student accident insurance. **Application forms are sent home with students in September, and all parents are asked to return the forms indicating whether or not they wish to obtain the coverage.** Premiums are paid by participating parents.

TRAFFIC AND SAFETY

Since parking space at both schools is limited, traffic congestion occurs, particularly in inclement weather. **School buses and vans have priority and must have access to the buildings.**

Unauthorized vehicles are prohibited from entering the parking lot.

The Spotswood Police Department employs crossing guards to provide help and safety at intersections. Parents and children must follow their directions.

LOST AND FOUND

It is advisable that you identify clothing such as outerwear, sweaters, boots, etc., in some manner. Each school has a lost and found box where lost items will be placed or claimed. Periodically, unclaimed items are given to a charitable organization.

CARE OF SCHOOL PROPERTY

Children who intentionally deface school property inside or outside the building will be disciplined. Their parents will be informed and may be held responsible for costs or repairs. Please encourage your children to respect public property.

BICYCLES (Appleby)

For students at Appleby who elect to ride bicycles to school, a bicycle rack has been provided. Wheel or sprocket locks are recommended. The school is not responsible for stolen or damaged bicycles.

HOMEWORK

The Spotswood Board of Education believes that the purpose of homework is to help students become self-directing, independent learners. Homework assignments shall support clearly defined school and classroom objectives and shall be used to reinforce and enhance school experiences.

STUDENTS ARE EXPECTED TO COMPLETE ALL HOMEWORK ASSIGNMENTS ON TIME. Requests for homework for students who are ill should be made to the teacher via the main office by 9:30 a.m. Assignments can be picked up in the office at dismissal.

We think learning is important and that it should continue beyond school hours. The daily homework is not punishment, but rather a way to encourage and extend learning. You will receive information regarding specific school and grade level homework guidelines.

SCHOOL PROGRAMS

The regular instructional program provides instruction in reading, language arts (writing, presenting, spelling, grammar, punctuation, composition, penmanship), mathematics, social studies, science, art, music, physical education, and World Languages.

Specialists who will be working with the elementary staff include Department Chairs, the Assistant Superintendent of Curriculum and Instruction, and the Assistant Superintendent of Special Services.

In order for parents to be well informed about the curriculum at each grade level, a Back-to-School Night has been scheduled. Please note the date on the school calendar found on page 3.

HONOR ROLL

Schoenly students will be eligible for Student of The Month(SOM), Principal's Breakfast, and/or as a Student of Character for various accomplishments throughout the year. 4th and 5th grade students will be placed on the Honor Roll based on their academic achievement. To qualify for Regular Honors a student must achieve an "A" in three subjects and a "B" in two subjects. To qualify for High Honors a student must achieve an "A" in all subjects.

ENRICHMENT PROGRAM (APPLEBY SCHOOL)

We will have a two phase program: (1) a pull-out program that addresses the needs of approximately 3% of the student body, (2) a rotational pull-out program, which addresses the needs and interests of specific students. This rotational pull-out program may last for three to ten weeks depending upon the curriculum being addressed during that time.

MUSIC

BAND: Students are recruited for the band program at grade four. The band students receive small group instruction during the school day. Band practice is held after school.

CHORUS: Schoenly's first grade students will have the opportunity to demonstrate their love for music during the "Winter and Spring Concert." Students in grades two through five are invited to join the elementary chorus. The chorus meets after school. Specific information regarding each program will be distributed by the teachers.

HEALTH SERVICES

A. EMERGENCY CARE

Emergency care for pupils who become ill or injured at school is the responsibility of school health personnel. Fundamental to this emergency care program is the acceptance by nursing personnel of the responsibility for:

- Giving immediate emergency care, including such measures as rest, external applications of heat or cold, temporary dressing, hemorrhage control and ordinary nursing measures directed toward the comfort and safety of the ill or injured individual.
- Notifying the parent of the pupil's illness or injury and making recommendations for his/her care.

Transportation to the home or doctor's office is to be provided by the parents. No seriously ill or injured pupil will be allowed to go home without being accompanied by a responsible adult. In a serious emergency, the services of the local rescue squad will be utilized and the parents contacted promptly.

The school nurse may excuse a student from gym class for 1-2 days based on her observation and assessment of the problem, or based on a written request from a parent explaining the problem. A doctor's note is required to excuse a student for 3 or more days. The doctor's note should be explicit as to when the student can resume all normal activities. All students with a cast, splint, crutches, sutures, etc. will automatically be excused from physical education class and recess; students will need a physician's note to return to these activities. Notes which stipulate that a student should be excused from activities "until further notice" need to be updated periodically. If a student is excused from physical education class, she/he will not be able to participate in recess, field day, or physical activities on class trips.

B. ADMINISTRATION OF MEDICATION

Whenever possible, it is advisable to administer medication to the child at home. If necessary for the health of the child the school nurse will administer medication as prescribed by the child's physician. The request for this service must be submitted in writing on standard forms obtained from the school nurse. Specific instructions for administration of the medication from the child's physician must be included. A parent/guardian must also sign the medication form. All drugs must be brought to school by the parent/guardian and must be in pharmacy labeled container. No student is permitted to keep any medications or preventive applications on their person during school hours.

C. COMMUNICABLE OR INFECTIOUS DISEASES

Parents are requested to report all communicable or infectious diseases to the school nurse. Reportable diseases may include chicken pox, streptococcal infections, staphylococcal infections, influenza, hepatitis, mononucleosis, meningitis, encephalitis, tuberculosis, ringworm, pinworms, impetigo.

D. SCREENING PROGRAM

1. Physical examinations are recommended for all students in grades Pre-K, K, 4, 8, 11, and all transfer students. These physicals should be done by the family's private physician. A physical is required on first entering school (Pre-K and/or K).
2. Visual screening is done annually on all students in grades Pre-K, K, 1, 3, 5, 7, 9, 11 and special classes.
3. Hearing screening is done on all students in grades Pre-K, K, 1, 3, 5, 7, 9, 11 and special classes.
4. Height, weight and blood pressure on all students annually.
5. Spinal screening is done on students 10 to 18 years old in grades 4, 6, 8, 10, 12.

E. EXCLUSIONS FROM SCHOOL

The school nurse will recommend exclusion:

Of any child or employee whose state of health and well being would be temporarily benefited by removal from the school situation.

Of any child or employee suspected of communicable disease.

Of any child who has not met the immunization requirements.

For such conditions as fever, sore throat complaints or strep throat, conjunctivitis (pink eye), impetigo or other suspicious rash or skin lesions, pinworms, colds, viruses, flu, chicken pox, mononucleosis, etc.

F. GUIDELINES FOR KEEPING YOUR CHILD HOME

The main reason to keep your child home is if he/she is too sick to be comfortable at school or if he/she might spread a contagious disease to others. As a rule, your child should be kept home if there is:

- Elevated temperature (100 degrees or higher)
- Acute cold symptoms or persistent cough
- Vomiting, nausea, repeated diarrhea or severe stomach pain
- Red, inflamed eyes with thick discharge
- Widespread rash

G. 24 HOUR RULE

- Fever: Children with a fever of 100 degrees or higher must be fever free for 24 hours without fever reducing medication
- Strep throat: Children must have 24 hours of antibiotic and be fever free
- Pink Eye: Children must have 24 hours of antibiotic eye drops and symptoms must have subsided.

H. POSSESSION AND USE OF WATER BOTTLES, COUGH DROPS, ETC.

Children are not permitted to have water bottles, cough drops, etc. in school unless there is a medical reason. In most cases or in the case of extenuating circumstances, a note must be submitted to the nurse. For extended use of such items, the note must be from your doctor. Without a note, the items will be confiscated until we are able to contact the parent.

HOME INSTRUCTION

Home instruction services will be provided to any student during extended absence due to sickness or accident. A written recommendation from the attending physician must be presented to the Principal. Arrangements will be made by that office based on student needs.

WHAT TO DO IF...

You have a problem... Contact via phone or e-mail your child's teacher or principal for help.

You want to confer with your child's teacher ... Contact your child's school to arrange an appointment or contact the teacher via e-mail.

Your child becomes ill at school ... A student who becomes ill during school hours is taken to the nurse's office. If it becomes necessary to send your child home because of illness, you will be notified and requested to provide transportation.

BUS CONDUCT

A student's privilege to ride the school bus is dependent on his/her observance of bus regulations. The bus driver is in charge of the bus and students must obey his/her directions. Any student who violates the bus regulations will be denied the privilege of riding the bus for a period of time to be determined by the school administration and will receive any additional penalty deemed necessary.

Pupils are required by state law to maintain the same standards of conduct on the bus as they do in school. The rules listed below are to be observed by all students.

1. The bus driver is in complete charge of the bus at all times.
2. Take your seat quickly and fasten your seat belt.
3. Remain seated.
4. Talk quietly.
5. Think of the bus as your property; don't damage any part of it.
6. Ask the bus driver's permission to open a window.
7. Keep your hands and head inside the bus.

9. Keep aisles clear at all times.
10. Obey all the rules, and follow directions given by the bus driver.
11. Be courteous to your bus driver and all other passengers.

14. Smoking, loud noises, profanity, and "rough housing" are strictly forbidden and will be dealt with severely.
15. There will be no eating on school buses.
16. Students must show care and respect for others while riding on the school bus. When seated on the bus, students will not extend their feet into the aisles. Students are not to touch any equipment on the bus.
17. Defacing or destroying any materials on the bus will result in the loss of the privilege of riding the bus. If serious enough, this behavior will result in suspension from school. Annual Integrated Pest Management Notice

Dear Parent, Guardian, or Staff Member:

This notice is being distributed to comply with the New Jersey School Integrated Pest Management Act. Spotswood BOE has adopted an Integrated Pest Management (IPM) Policy and has implemented an IPM Plan to comply with this law. IPM is a holistic, preventive approach to managing pests that is explained further in the school's IPM Policy included with this notice. All schools in New Jersey are required to have an Integrated Pest Management Coordinator (IPM Coordinator) to oversee all activities related to IPM and pesticide use at the school.

The IPM Coordinator for Spotswood BOE is: Name of IPM Coordinator: Michael Palumbo, Phone number: 732-723-2237, Business Address: 105 Summerhill Rd. Spotswood, NJ 08884

The IPM Coordinator maintains the pesticide product label, and the Material Safety Data Sheet (MSDS)(when one is available), of each pesticide product that may be used on school property. The label and the MSDS are available for review by a parent, guardian, staff member, or student attending the school. Also, the IPM Coordinator is available to parents, guardians, and staff members for information and to discuss comments about IPM activities and pesticide use at the school.

As part of a school pest management plan Spotswood School District may use pesticides to control pests. The United States Environmental Protection Agency (EPA) and the New Jersey Department of Environmental Protection (DEP) register pesticides to determine that the use of a pesticide in accordance with instructions printed on the label does not pose an unreasonable risk to human health and the environment. Nevertheless, the EPA and the DEP cannot guarantee that registered pesticides do not pose any risk to human health, thus unnecessary exposure to pesticides should be avoided. The EPA has issued the statement that where possible, persons who are potentially sensitive, such as pregnant women, infants and children, should avoid unnecessary pesticide exposure.

Integrated Pest Management Statement Integrated Pest Management (IPM) on school property is a long-term approach to maintaining healthy landscapes & facilities that minimizes risks to people and the environment. Spotswood School District will use site assessment, monitoring, and pest prevention in combination with a variety of pest management tactics to keep pests within acceptable limits. Instead of routine chemical applications, cultural, mechanical, physical, and biological controls will be employed with selective use of pesticides when needed. Educational strategies are used to enhance pest prevention, and to build support for the IPM program.

Purpose

Spotswood Public Schools provides students and staff access to a district electronic network, which includes: computer equipment, Internet access, and other technology related resources. The purpose of this network is to avail our students and staff access to millions of sources of information, which are presently available via the World Wide Web.

The students, staff, and community members of Spotswood Public Schools have the privilege of access to numerous technological resources for the specific purpose of improving and promoting the educational mission, goals and objectives of the district. This document serves to regulate and guide students and staff on the proper use of the district electronic network for the purpose of promoting the use of technology for educational use.

Limitation of Liability

The Internet constitutes a quasi-regulated collection of resources that change constantly, so it is not possible to totally predict or control the resources that users may locate. The Spotswood Board of Education cannot guarantee the accuracy of the information or the appropriateness of materials that a user may encounter. Furthermore, the board shall not be responsible for any damage users may suffer, including but not limited to, loss of data or interruptions of service. Nor shall the board be responsible for financial obligations arising through the unauthorized use of the system.

District Rights and Responsibilities

The electronic network system is the property of the district, and all computer software and hardware belong to it. Therefore, the district retains the right to monitor and regulate all access to and use of the district network system including the district web site and the Internet.

He/she shall recommend to the board of education qualified staff persons to ensure provision of individual and class accounts necessary for access to the network system, designation of quotas for disk usage on the system, establishment of a document retention schedule, establishment of a virus protection process and coordination of other activities as required to maintain the system.

Each principal shall coordinate the district system in his/her building by approving all activities for that building; ensuring that teachers receive proper training in the use of the system; ensuring that students are adequately supervised when using the system; maintaining executed user agreements; and interpreting this acceptable use policy at the building level.

Access to the System

This acceptable use policy shall govern all use of the district network system. Sanctions for student improper use of the system shall be included in the disciplinary code for students, as set out in regulations for policy 5131 Conduct/discipline. Employee misuse may result in appropriate discipline and/or dismissal in accord with the collective bargaining agreement and applicable laws and regulations.

The board shall ensure the acquisition and installation of blocking/filtering software to deny access to certain areas of the Internet as per state and federal regulation.

World Wide Web

Access to the Web is a privilege granted by the Spotswood Board of Education to all students and staff. Violation of this agreement will be met with loss of access privileges as per building administrations discretion. Access to the Web will be through the District's computers and access points. Private access to the Web via the district's network is not allowed.

Supervision of Students

Qualified staff shall supervise student use of the Internet for the sole purpose of promoting the district mission, goals and objectives. All other uses are prohibited.

District Web Site

The board authorizes the chief school administrator to establish and maintain a district web site. The purpose of the web site will be to inform the district educational community of district programs, policies and practices.

Individual schools and classes may also establish web pages within the district site that include information on the activities, assignment, and events of that school or class. The building principal shall oversee these web sites.

Parental Notification and Responsibility

The chief school administrator shall ensure that parents/guardians are notified about the District network and the rules governing its use. Parents/guardians shall sign an agreement to allow their child(ren) to use computer technology, incorporated within the district's "Acceptable Use Agreement." Parents/guardians who do not wish their child(ren) to have access to the district electronic network must notify the principal in writing. Alternate assignments will be created for students who do not wish to participate and for those who lose privileges to accommodate their educational needs.

Acceptable Use: The six areas, which follow, are incorporated within the District's - "Acceptable Use Agreement."

Family Educational Rights and Privacy Act (FERPA)

FERPA:

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the School receives a request for access.
Parents of eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent of eligible student believes are inaccurate.
Parents of eligible students may ask the School to amend a record that they believe is inaccurate. They should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it is inaccurate. If the School decides not to amend the record as requested by the parent of eligible student, the School will notify the parent of eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent of eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
Upon request, the School discloses education records without consent to officials of another school district in which a student seeks to enroll. [NOTE. FERPA requires a school district to make a reasonable attempt to notify the parent of student of the records request unless it states in its annual notification that it intends to forward records on request.]
