

Attention Parents of Preschool Aged Children!

Upper Pittsgrove School is taking part in **Child Find**, a statewide program to locate and provide services for those children between the ages of 3-5 who may have developmental delays and/or disabilities.

Do you have or know a child three to five years of age that is experiencing difficulty in one or more of the following areas:

- communicating his/her ideas
- understanding simple directions
- seeing or hearing
- walking or running
- manipulating objects
- behavior

Professional guidance, evaluations, and educational programs are all available free of charge through your school district. For more information, please contact Lisa Johnson, Child Study Team secretary, from 9:00 a.m. to 1:30 p.m. daily at 856-358-8163 x 1012.

(*Note: there are also services available for children with special needs from birth to age 3). These services are provided through the NJ State Early Intervention system. They can be reached at 1-888-653-4463.

For more information related to Project Child Find please visit the New Jersey Department of Education website at:
