TRANSPORTATION FOR PRE-SCHOOL AND KINDERGARTEN STUDENTS

******CONTACT NUMBER FOR SAFETY BUS—646-3035******

When transporting children on our school buses, we are extremely careful to ensure each child's safety as they ride the bus and when they board and exit the bus. Although the driver and classroom teacher teach the children about bus safety, we rely on the parents to help to reinforce the importance of following the bus rules as follows:

1. Board the bus in an orderly manner.
2. Sit in the assigned seat every day.
3. Buckle your seatbelt.
4. Keep the aisles clear.
5. Remain seated at all times and enjoy the ride.
6. Check that you do not leave anything in your seat.
7. Exit the bus at your assigned stop only.

For the safety of our pre-school and kindergarten students, the Ventnor Board of Education continues to support the following policy:

ALL PRE-SCHOOL AND KINDERGARTEN STUDENTS MUST BE MET BY A PARENT/GUARDIAN/DESIGNATED ADULT AT THE BUS STOP AFTER SCHOOL EACH DAY.

The school bus driver will not allow any pre-school or kindergarten child to exit the bus if the adult is not present. The child will be returned to the elementary office and the parent will be required to meet with the principal at that time.

It is the responsibility of the parent/guardian to assure the safety of their child by arranging to have an adult meet their child at the bus stop. Alternate arrangements should be made in the case of an emergency which prevents the adult from being at the bus stop on time. Please complete the form below and return it to the child's teacher on the first day of school. Thank you for your support in caring for the safety of our children.
