Dear Parents/Guardians:

In accordance with district policy 6142.10 regarding internet safety technology, the school shall notify parents/guardians regarding school furnished electronic devices.

It is understood under policy 6142.10 that district furnished electronic devices such as laptop computers, tablets, notebooks, cellular telephone or other devices may record or collect information on activity or usage of the device if the device is equipped with a camera, global positioning system or other feature capable of recording or collecting information on activity or usage. The district shall not use any of the capabilities in a manner that would violate the privacy rights of the student or any individual residing with the student.

Please sign and return bottom portion of this letter to your child's homeroom teacher as receipt of notification and acceptance of policy as indicated above.

Sincerely,

Mrs. Eileen Johnson
Superintendent

I _____ (Please print parent name) understand under policy 6142.10 that district furnished electronic devices such as laptop computers, tablets, notebooks, cellular telephone or other devices may record or collect information on activity or usage of the device if the device is equipped with a camera, global positioning system or other feature capable of recording or collecting information on activity or usage. The district shall not use any of the capabilities in a manner that would violate the privacy rights of the student or any individual residing with the student.
