## For Sale

A Sanyo compact refrigerator is for sale.

It has a stainless steel front and a small freezer compartment. It is in like-new condition. It was only used for two months. The cost is \$150.00.

Call in the evenings to talk to Laura at 751-8858.

## Appreciation Week

May 4-8 is Teacher/Staff Appreciation Week! Be sure to let your child's teachers know that you appreciate the work they have done with your child this year. Also, don't forget to thank all of the other support staff members that work here at Floyd for all the many things that they do to make Floyd Elementary a wonderful school!

## Morning Drop Offs

We are still experiencing problems with students being dropped off in the morning before 8:00 a.m. **The EARLIEST students may arrive at school is 8:00 a.m.** There is no supervision before this time. Please do not bring your children to school before this time. We appreciate your cooperation with this issue. This is a safety issue for your children.

## Correction!

Ciarra Denning won 3rd place in the Experiment category for the Floyd Elementary Science Fair last week. Congratulations to her!

## Attendance

If your child is absent from school, please call the school that morning to let Kathy, our attendance clerk, know the reason for the absence. Her number is: 751-5014. Kathy must enter a code in the computer for every absence.

## Principal's Corner

Dear Parents/Guardians,

We are monitoring any flu activity closely and at present have no reason to suspect swine flu in this region. The school is thoroughly cleaned and sanitized every night with a strong germicide that is used to kill the MRSA bacteria in hospitals.

We have hand sanitizers for student use, as well as sinks with soap dispensers in every classroom and restroom. Every desk, counter, sink, and table is sanitized nightly, and so are all drinking fountains. Any student who has a fever or other sign of illness is sent home.

There are always children who don't feel well any given day. We are careful about their health and will be vigilant for signs of any outbreaks. For more information, please log on to the Nye County School District website and look near the top of the page to unblock a pop-up on this issue.

Your partner in education,

Mrs. Lepisto
