Greetings Hafen Families,

The third quarter has come and gone, just like Spring Break. I am afraid to blink, because the year might be over, but we still have a lot to accomplish. We are still working on SBAC testing, and we will soon embark upon NWEA testing. I will have the calendar posted on the website shortly.

The 1st annual Math-A-Thon went very well. Hafen raised over \$800!!! The 1st annual Bunny Hop went well as well, raising over \$200. I am still waiting to see how much we raised with Kona Ice that was here during Parent Teacher Conferences.

Thank you to all of you that were able to attend conferences, and if you were unable, hopefully you have had the opportunity to speak with your child's teacher.

Field trips are going very well. This year 4th grade has gone to the Smith Center, 1st grade has gone to the Shark Reef at Mandalay Bay, the kindergarten kids have taken their trip around town, the 2nd grade is going to the Pahrump Museum, the 5th grade is taking a trip to Ash Meadows and 3rd is being planned.

Field trips are not cheap, but I feel they are important. We do so much fundraising, in conjunction with the PTC, to ensure that the Scorpions can go on these trips.

We have changed the way we do Scorpion Buck prizes, and the changes have been a hit. We are doing weekly prizes instead of quarterly and every child that has 5 (K-2) or 10 (3-5) bucks can get a prize. The students seem to be enjoying the fun prizes!

Thank you for everything you do that makes Hafen a great place to be!!
