OPTION 1—MATH CLASSES FROM 7:30 TO 11:30 am, Monday—Friday

For: Students who need to retake a math class (Pre-algebra, Algebra, Geometry, Algebra II).

These students must come in every day where a teacher is present to help them succeed. NO discipline students may attend this class and any student causing problems in the classroom will be asked to leave. Due to the fast pace of this session, and the 90% attendance requirement, students will only be allowed 2 absences. Students may take classes in the following time frames:

- 2 semester courses in 5 weeks
- 1 semester in 5 weeks (if the student needs more time to understand the material)

OPTION 2 — ANY COURSE NEEDED, NOON TO 3 P.M.

Students will have a 5 week session to complete one or two semester courses. If the student completes both courses, and there is enough time, the student may take a third class for free. If they do not complete the course, zeros will be given for any incomplete assignments and the grade will be calculated.

Teachers and computers will be available during this time. Students may work at home, but must take tests in school between noon and 3 p.m.

OPTION 3 — PVHS CREDIT RECOVERY STUDENTS

PVHS students who are currently enrolled in credit recovery, and have not completed their course(s), may continue working on their course(s) provided they pay the \$50 for the opportunity to continue through the five weeks of summer school. This fee will only cover the credit recovery course(s) for which they are currently registered.

OPTION 4 — RCMS CREDIT RECOVERY STUDENTS

7th grade or 8th grade students who have failed one or more semesters of math, science, social studies or English may take one or two semester courses during summer school to make sure they are on track to move to the next grade. Math will be offered in the morning (please read Option 1) and all other subjects from noon to 3 p.m. The fee is \$50.00 per course.

- **Each semester course will be \$50 (cash or money order) payable prior to the start of the course.**
- **Money Orders are to be made out to: Nye County School District**
- **There will be no refunds for lack of attendance or non-completion of the course.**
