

ALERTNOW® Notification Service

Keeping parents informed is a top priority at White Pine County School District. That is why we have adopted the ALERTNOW® Notification Service which will allow us to send a telephone or e-mail message to you providing important information about school events or emergencies. We anticipate using ALERTNOW® to notify you of school delays or cancellations due to inclement weather, as well as remind you about various events, including report card distribution, open house, field trips, and more. In the event of an emergency at school, you can have peace of mind knowing that you will be informed immediately by phone (e-mails will not be sent in emergency situations).

What You Need to Know About Receiving Calls Sent Through ALERTNOW®

- Caller ID will display the school's main number when a general announcement is delivered.
- Caller ID will display 411 if the message is a dire emergency.
- ALERTNOW will leave a message on any answering machine or voicemail.
- If the ALERTNOW message stops playing, press any key 1-9 and the message will replay from the beginning.

The successful delivery of information is dependent upon accurate contact information for each student, so please make certain that we have your most current phone numbers. If this information changes during the year, please let the school know immediately.

Note that the primary phone number will be called for standard and emergency calls; the emergency numbers will only be used in an emergency, and all will be dialed simultaneously.

We are very excited to incorporate ALERTNOW® as a tool to improve parent communication. We look forward to having the ability to deliver real time information to you and to provide awareness of all the great events that take place within the school.
