Re: BP to Provide \$2,000 Scholarships to Qualifying High School Seniors

In 2018, the BP Community Scholarship Program has garnered the support of over 450 local station owners and operators through their participation, support of fundraising events and through their volunteer time. BP station owners and operators also help promote the program through their stations and certainly encourage all eligible students to apply.

Please ensure that all seniors who plan to attend a two or four-year college in the fall of 2018 are encouraged to apply. Awards will be distributed geographically and will represent communities throughout New York City, Long Island, Westchester County and northern New Jersey.

Interested students are invited to visit our scholarship website at www.bpscholarships.com to apply online. We have enclosed a flyer to post at your school; or, consider posting our scholarship information on your school website. Please note, all scholarship applications must be submitted online **by March 16, 2018 to receive consideration**. Questions may be emailed to info@bpscholarships.com.

There are many ways we can give back to the communities that patronize our stations. We choose to support education. We look forward to receiving applications from students representing your school.
