June 2018

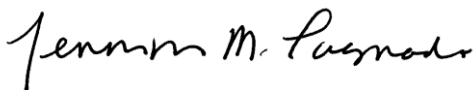

Dear Parents and Guardians:

The end of the school year is upon us and our students are busy preparing for Regents and final exams.

Unfortunately, some students in the past have taken it upon themselves to organize pranks the last few days of classes. Disrupting the school day, creating danger to others within the school, or vandalism of any sort are **punishable** offenses. Appropriate consequences will be given to students who engage in pranks. **For seniors, this includes losing the privilege of attending the prom and walking in the graduation ceremony.**

This is the busiest time of year as students are preparing for exams and the staff is closing down one school year and preparing for the next. I am asking for your support and partnership with the school in our expectation to end our year without incident.

Thank you,

Jennifer M. Lagnado, Ed.D.
Principal
