

S.T.E.A.M Fair Timeline

Note: Rubrics for each phase of the year – long project will be created. Teachers must use these rubrics and hold on to their grades for final submission.

Note: Not *all* parts of the project are graded. If you see N/A, that means that the part of the project is checked and commented on, but will not count as part of the final grade for the project. **Students should receive credit for submitting the assignment.**
