June, 2017

Dear Parents:

We are so proud of the progress that your children have made this year in reading and writing. It is extremely important for them to read often during the summer so they can maintain their fine progress.

Please do everything you can to encourage your children to read this summer. The students have been given these reading logs so they can record the books they have read, the time they have spent reading and the pages they have read. We ask them to write just a few sentences about their reading so they can keep up their writing skills.

There are many ways for students to read over the summer. Of course, they can read favorite books they have at home or take out books from the Peninsula Public Library. There is a wonderful summer reading program at the library and there will be a food truck several days a week. The brochure for the library program is at the back of this log. We will give you a schedule for the food truck as soon as we get it.

In addition to reading books, students can use some of the computer-based resources listed below:

1. Raz Kids: www.raz-kids.com

Teacher log in: _____ Student user name: _____

2. BOOKFLIX: www.bookflix.com

Username: lesbroadway Password: lesbroadway

3. PebbleGo: www.PebbleGo.com

Login: broadwaycamp Password: school

We hope that this is helpful. Enjoy the summer. Happy reading!

Sincerely,

LES Staff

~ Success is within the reach of each and every learner ~
