August 2016

Dear Parents:

It is with great pride and excitement that I write this letter of introduction to you as the newly appointed Principal of Lawrence Primary School. I am honored to have this opportunity to collaborate with our excellent teachers in a school with a rich tradition for learning.

Over the past few weeks, I have had many interactions with parents, teachers, secretarial staff, and our custodial/maintenance staff. It is clear that we are all working together to provide the best possible academic experience for your children. I look forward to providing a world-class educational experience for our students.

I have been a dedicated educator for more than thirty years with a sharp focus on early childhood and elementary education. My most recent experience has been shaped by successful leadership as the Assistant Principal at the Lawrence Elementary School. I am excited to bring my expertise to Lawrence Primary School!

Along with teachers and staff, we will focus on **READING, WRITING, THINKING**, and being **KIND** to one another. Character Education, Common Core skills, use of data to inform instruction, and Teach Like a Champion techniques will provide exciting and challenging learning opportunities for all students.

As your Principal, it is important that all who step into our school are excited to be here. My door is always open so feel free to stop in, call, or e-mail me to discuss ideas. I welcome suggestions.

I am truly honored to be the "Lead Learner" of such a fine school community.

Respectfully,

Chris Moore  
Principal
