Dear WAJ Student Athlete and Parent/Guardian:

Hopefully you are having a relaxing and enjoyable summer. The time for fall sports is quickly approaching. The purpose of this letter is to inform you about pertinent information regarding the fall sports season.

1. Most Varsity sports will begin the week of August 19th and most Modified sports will begin the week of August 26th. Please check the school's website, www.wajcs.org, for the most up-to-date information regarding pre-season meeting times, practices as well as game schedules.
2. In order to participate in fall sports you must have a current physical exam on file. For example, if your last physical was in August 2018, you have until September 1 to obtain a new physical. The physical needs to be on file with the school nurse. If you need a physical you should contact your physician, as soon as possible, to schedule a physical prior to the start of the first practice.
3. On Thursday, August 15th at 6:30 PM in the big gym, there will be a "Meet the Coaches" night. At the meeting we will review WAJ Athletic Department policies and procedures. You will also have an opportunity to meet the Varsity and Modified Coaches and obtain the mandatory paperwork for your son/daughter to begin fall sports.
