Dear Parents,

Congratulations on another completed school year. I want you to be aware of the health requirements per NY State for this coming September. Please make appointments now with your Primary Physician because offices become very busy later in the summer and fall.

Physicals- If your child is playing sports, is a new student to WAJ, or is entering one of the following grades; Pre K or K, 1, 3, 5, 7, 9, 11, he/she will need a current physical upon entering school in September.

Immunizations requirements vary by age and grade. Grades that require new updated immunizations include Pre K, K, 6, 7, and 12. Please refer to the WAJ website for further information.

Enjoy your summer!

Sincerely,

Gabrielle Gonzalez RN

PS Please be aware that NYS passed a law removing non-medical exemptions from school vaccination requirements. Religious Exemptions are no longer accepted in Public Schools.
