Fall Sport Physicals

May 1, 2019

As many of you know, NY State requires a current physical, one that has been done within one year prior to starting practice for a sport. It is always first recommended to see your Primary Physician. If for some reason your student/child is unable to see their Primary Physician, for the upcoming sport seasons 2019-2020, WAJ is planning on having a medical professional sometime in June to do sport physicals. A list for signing up is outside Mr. Middleton's office. This is necessary so Columbia Memorial Health is able to plan an appropriate amount of time to complete everyone's physicals.

If you have any questions, please call the school nurse at 518-734-3400, ext. 1131, or email ggonzalez@wajcs.org.

Sincerely,

A handwritten signature in cursive script that reads "Gabrielle Gonzalez RN".
