All members and future members of the Alumni Association are requested to visit the below website and input your latest address information.

The Alumni database needs updating, so if you know the addresses of your friends who have graduated please send this link to them or input the information for them.

NEWSLETTERS and MEMBERSHIP

Mailings of our newsletter to members of the association were sent out twice in 2016 and we are planning on doing the same in 2017. The first newsletter will be sent out in June with a request for membership dues. The second newsletter will be sent in August for dinner reservations, (to people who have paid their dues).

ADDRESS CORRECTIONS

Graduates are requested to keep the alumni association aware of your address changes. We have a very accurate database of nearly 2000 graduates and would like to keep it current, with your help.

VOLUNTEERS

The Alumni Association always needs volunteers to serve in Officer positions such as first, second and third vice-presidents, who later become the President of the Association. If you have any interest in filling these positions please send an email to mslevens@aol.com. These positions are not full time jobs but do require some effort throughout the year. If you can spare some time your Alumni Association can use your help.

Please contact Michael Slevens(62) if you have any questions at [908-334-1722](tel:908-334-1722) or email at mslevens@aol.com.
