Windham-Ashland-Jewett Central School District
District Crisis Response Plan

Commissioner's Regulation
155.17 Project 14

INTRODUCTION

Expeditious emergencies and violent incidents in school districts are critical issues that must be addressed in an effective manner. Districts are required to develop a District School Safety Plan designed to prevent or minimize the effects of serious violent incidents and emergencies and to facilitate the coordination of the district with local and county resources in the event of such incidents or emergencies.

The District Plan is responsive to the needs of the district. Districts are at risk of a wide variety of acts of violence, natural, and technological disasters. To address these threats, the State of New York has enacted the Safe Schools Against Violence in Education (SAVE) law.

This component of Project SAVE is a comprehensive planning effort that addresses risk reduction/prevention, response and recovery with respect to a variety of emergencies in the school district.

The WAJ Central School District supports the SAVE Legislation, and intends to facilitate the planning process. The Superintendent of Schools encourages and advocates on-going district cooperation and support of Project SAVE.

GENERAL CONSIDERATIONS

Purpose

The WAJ Central School District School Safety Plan was developed to comply with Commissioner's Regulation 155.17. At the direction of the WAJ Central School District Board of Education, the Superintendent of WAJ Central School District appointed a Crisis Response Team and charged it with the development and maintenance of the District School Safety Plan.

Identification of School Teams

The WAJ Central School District has appointed a District Crisis Response Team consisting of, but not limited to, representatives of the School Board, students, teachers, administrators, parent organizations, school safety personnel, and other school personnel. Nicole Baldner, Elementary Guidance Counselor (DASA Coordinator)
Michael Pellettier, 7-12 Guidance Counselor (DASA Coordinator)
Carole Cangelosi, Teacher Assistant
John Mattice, Director of Facilities and Operations
Sue Ellen McCullar, 2nd Grade Teacher

The District Crisis Response Team developed the District School Safety Plan with input from appropriate school employees, i.e. transportation and food services staff, union leaders, etc.

Concept of Operations

The District Plan was developed through extensive analysis of the local environment, emergency potential, and available resources. The plan has been developed to address the specific needs of the WAJ Central School District and the community.

In the event of an emergency or violent incident, the initial response to all emergencies will be by the School Emergency Response Team. The Principal is responsible for notifying the Superintendent or the highest-ranking person in the chain of command of any necessary Building-level plan activation. This notification shall be accomplished through the use of telephone or the district's radios.

Upon the activation of the School Emergency Response Team the Superintendent of Schools or his/her designee shall be notified and, where appropriate, local emergency officials shall also be notified.

County and State resources supplement the school district's emergency action planning in a number of ways.

- State and local law enforcement provide building reviews and employee training.
- Local law enforcement and emergency services participate in planning and training exercises and develop strategies for managing building-level emergencies.
- A protocol exists for the school district to use certain facilities for sheltering during times for emergencies.
- A protocol exists for the use of county mental health resources during post incident response.

Plan Review and Public Comment

Pursuant to Commissioner's Regulation, Section 155.17 (e)(3), this plan will be made available for public comment at least 30 days prior to its adoption. The plan shall be formally adopted by the Board of Education.
