"It's Great Being a Girl"

The PTA and the Guidance Department invite you and your daughter to a special evening on **Tuesday, May 27th at 6:30 PM** in the WAJ Home Economics room, called "It's Great Being a Girl". The workshop is open to 4th, 5th and 6th grade girls and their mothers (or aunt, older sister, adult female friend, grandmother, etc.) Penny Martinez, a health educator from the Greene County Public Health Nursing Services/Family Planning, will lead a fun and interesting workshop, which celebrates being a girl. The discussion and activities will focus on body changes, puberty, and the roller coaster of feelings associated with these changes. We will have dessert, special giveaways and door prizes! We hope that you can join us for this helpful workshop. You may register by contacting Nicole Baldner at [734-3400 ext. 1116](tel:734-3400) or nbaldner@wajcs.org.
