I herby state that the Garber Youth Football Camp is not responsible for and preexisting injury or re-occurrence of any undisclosed injury or illness of the above camper.

I, as a parent or guardian, have actual knowledge and appreciation of the particulars of the camp, including those risks involved in participation in this league, and herby consent to my minor's participation and assume risk there from. Further, I claim that the registrant has had a physical examination in the past year and was found physically fit to attend the Garber Youth Football Camp, and I know of no impairments, which would limit his or her participation in all activities of the camp.
