Adelphoi Promise

Graduating from Adelphoi is not an ending...it's the beginning of a journey that offers a world of possibilities. For most youth, further education and/or vocational training will be a critical step to finding a job and establishing your independence.

In order to provide you with the best possible chance for success, Adelphoi has launched the Adelphoi Promise. The Adelphoi Promise is an initiative that offers the following:

- Two years of education, tuition-free, at an affiliated community college
- Financial assistance for books
- Refurbished laptop computer, when applicable
- Guidance and support

Criteria

In order to be eligible for this program, you must meet at least two of the following criteria:

- Graduation from high school or completion of GED
- *All Dr. Robert Ketterer Charter School graduates are eligible for consideration
- Enrolled at Adelphoi Village at some point during grade 9-12, earning credit towards graduation
- Enrolled in an Adelphoi program or the Dr. Robert Ketterer Charter School for a minimum of one semester (90 days)
- Successful completion of an Adelphoi Village program or successful progress as determined by program supervisor

Adelphoi Promise

Support

The Adelphoi Promise is more than just financial assistance — it offers a firm hand to guide you through the process of making post-secondary education a reality. Adelphoi employs a dedicated Adelphoi Promise Administrator to help you navigate the educational system. This administrator can assist in identifying a preferred area of study, filling out college applications and financial aid forms, scheduling placement exams, and overcoming obstacles to education such as transportation, books, tuition costs, etc. The administrator also works to engage your family in the process of educational fulfillment in order to increase the chances of your success.

Educational Requirements

In order to maximize the opportunities made available to you through this program, you must commit to the following:

- Consistent class attendance
- No more than 7 credits per semester during first year, unless approved
- Career Exploration during 1st semester and Soft Skills during 2nd semester
- No cyber courses during first year unless approved by the administrator

Partners

Adelphoi is partnering on this project with Westmoreland County Community College and Butler County Community College, and is beginning to expand this concept to other community colleges in the region. These community college partners will provide you with the tutoring, counseling, and mentoring needed to achieve your educational goals.

Continuing Education

Youth who want to continue their studies at a four-year school can apply for additional assistance through Adelphoi's existing scholarship and assistance funds.
