

Mr. Gehly Lesson Plans
November 2-6

MONDAY

Media Production (Periods 1, 3-5, 7)

Media 1

Topic: Out of Time Short Film

Activity: Students will create a short film that utilizes master coverage and the creative shooting techniques students have learned throughout the first nine weeks. The film will follow the “Out of Time” theme.

Assignment: Film due Monday, October 9th

Media 2-4

Topic: Horror Film (Frankenstein Parody) - News Package

Activity: Students will develop a short film parody that includes both plot elements of the original film and characteristics of the horror genre.

Students will also produce a news package.

Special Effects (Period 6)

Topic: Introduction to After Effects

Activity: Students will create a motion graphic sequence utilizing Adobe After Effects.

Assignment: None

Innovation and Design (Period 8)

Topic: Cardboard Cutout Character

Activity: Students will utilize Illustrator’s Pen Tool to create three Cardboard Cutout Characters. Students will use the laser engraver to cut along the pen tool created outline. Students will design a stand that will allow the character to independently stand.

Assignment: Three Cardboard Cutout Characters due by Friday

TUESDAY
