

Mr. Gehly Lesson Plans
December 1-4

MONDAY

No School

TUESDAY

Media Production (Periods 1, 3-5, 7)

Media 1

Topic: Man on the Street News Package

Activity: Students will learn techniques for shooting interviews. Students will develop an open-ended question and interview 6-8 people. After shooting, students will edit a sequence that features only the response of the interviewee. Students will also develop a lead-in for a news anchor to introduce the story. The video must be exported as an AVI file.

Assignment: None

Media 2-4

Topic: Public Service Announcement

Activity: Students will complete the PSA Research worksheet as they determine a topic for a :30-:60 PSA

Assignment: PSA Worksheet due WEDNESDAY

Special Effects (Period 6)

Topic: After Effects

Activity: Students will create a "Teacher Profile" motion graphic sequence utilizing Adobe After Effects. Students were assigned to ask three teachers to fill out a profile form that includes information that will be utilized during the sequence.

Assignment: None

Innovation and Design (Period 8)

Topic: Illustrator- Laser Engraver Christmas Card Project

Activity: Students will work in groups to complete the Christmas Card project. The company will create a line of greeting cards that has a consistent theme and includes several required elements. The group will also design a standalone display that will hold the entire product line.

Assignment: Project due December 18th

WEDNESDAY

Media Production (Periods 1, 3-5, 7)

Media 1

Topic: Man on the Street News Package

Activity: Students will shoot an episode of Trojan Christmas Report. Students will learn all studio positions needed to complete a live studio production: Anchor, camera operator, teleprompter, floor manager, video playback, video switcher, director, audio mixer, and technical director.
