Math Common Core Standards (K): K.CC.B.4a: When counting objects, say the number names in standard order, pairing each object with only one number name.

K.CC.B.4b: Understand that the last number name said is the number of objects counted.

K.CC.B.5: Count to answer “how many” questions.

K.CC.A.3: Write numbers 0-20

K.CC.B.4c: Understand that each successive number name refers to a quantity that is one larger.
