Welcome to the Parent Portal, featuring your child's Career & Technical Education profile!

Your child is enrolled in one of the most state-of-the-art educational facilities available, where we are helping them to refine their unique talents and abilities toward gaining a variety of academic and work force skills.

Interested in reviewing your child's scheduled courses? Would you like to confirm if your child attended class today? What was his score on yesterday's quiz? Has she had any visits to the principal's office?

Find out today by entering your user name and password to learn how to navigate through your child's Career & Technical Education profile.

Note: To access this site, you must first complete the user authorization.
