Summer 2017

Dear Families of Lawrence County CTC:

It is with great pleasure that I welcome you and your child to the 2017 – 2018 school year at the **Lawrence County Career & Technical Center**. I hope that your summer has you feeling refreshed and ready to start a new school year. How quickly summer ends though, and our thoughts begin to focus on the start of another great school year!

Our first event of the new school year will be a **New Student and Family Orientation** on **August 24** at **9:00 a.m.** The intent of this **Orientation** is to allow students accompanied by parents or guardians, to follow their class schedule, find their classrooms and meet teachers, aides, guidance counselor, school nurse, secretarial, custodial staff and administration. We hope that this short visit will help our new students feel more comfortable on the first day of school.

The **first student day** will be **Tuesday, August 29**. The school day begins at **8:10 a.m.** and runs until **2:40 p.m.** All students are expected to be in class on time at 8:10 a.m. Teachers will be in the hallways to help!

I would also like to invite all students, parents and guardians to **Open House**, which is **Thursday, October 5th from 6:00 p.m. to 8:00 p.m.** You will have the opportunity to visit your child's different classrooms and shops, begin to form a relationship with their teachers and learn about the curriculum, innovative technology and classroom procedures.

Something continuing this school year is our School Wide Positive Behavior Support Program! We believe all students should strive to do their best, should want the best education possible and should listen to their teachers! We know that students need help for all of this to happen...that is why this initiative started.

We have four simple rules:

1. Be Here.
2. Be Ready.
3. Be Respectful.
4. Be Safe.

For every situation at LCCTC, there is a procedure. The students will be taught each procedure through the School Wide Positive Behavior Support Team.

Parent involvement is an essential role in the school community, and together, we embark upon this journey through Lawrence County CTC. Please contact me if you have any questions or concerns now and throughout the school year.

I look forward to working with you and your child as we work toward another exciting, successful school year!

Sincerely,

Michael Milanovich, Principal
Lawrence County Career and Technical Center
