

Calhoun County Public Schools Reopening Models

Model 1

School-Base
eLearning

Students participate in eLearning five days a week with their scheduled teachers. Teachers will provide eLearning techniques and strategies to provide an effective and organized approach to learning, assignments, and assessments.

Model 2

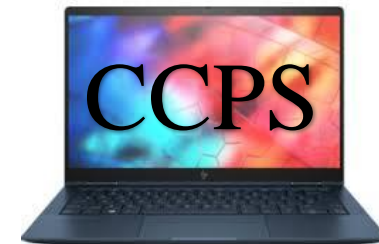

School-Base
Hybrid

Students report to school two days a week and participate in eLearning three days a week. Federal, state, and local guidance will be followed as it relates to physical distancing, cleaning, and other health concerns.

Model 3

CCPS
Virtual Learning

Families who choose to participate in virtual learning can do so through Calhoun County Public Schools Acellus Virtual Learning program.
