Graduation from high school is a memorable occasion in the life of a student and his/her family. The dignity of the occasion suggests a serious and solemn air. Solemn does not mean sad. It means formal, ceremonial, official, serious, sacred and sincere. This will be the only high school graduation these students will ever have. Please treat it with respect.

Please note the following:

1. All graduates are asked to be seated in the Performing Arts Center by 8 a.m.
2. All family and friends are asked to be seated in the stadium by 8:30 a.m.
3. Tents, umbrellas or other items that may obstruct the view of others in the stadium are prohibited.
4. Family and friends will not be allowed on the field during the graduation program.
5. When taking pictures, please do so from where you are seated in order to keep all aisles open.
6. Handicapped visitors should enter GATE 1. All other traffic should enter GATE 2.

Thank you for your cooperation as we celebrate this momentous occasion with the graduating class of 2017.
